2010 YEAR OF PIGS

PRESENTED BY
INDIANA PORK FARMERS

WELCOME TO THE 2010 STATE FAIR!

The annual celebration of Indiana's rich agricultural heritage has arrived once again. The Great Indiana State Fair, which this year celebrates its 154th anniversary, has exciting new features and traditional fair favorites. My wife Cheri and I are excited to announce that this year's State Fair will again run for 17 days giving Hoosiers plenty of time to enjoy the entertainment and educational opportunities the fair has to offer.

This year, we're excited to be celebrating the YEAR OF PIGS and the important economic impact the pork industry has on the state. Indiana pork farmers produce 1.6 billion pounds of pork each year adding \$3 billion dollars annually to Indiana's economy. The more than 15,000 Hoosiers employed in the industry take pride in distributing a safe and high quality product to people around the world.

I also hope you'll take some time to experience the Bridges to Japan exhibit located in the International Pavilion, also known as the Grand Hall. New to the fair this year, Japan is the first country to be featured in what will be an annual exhibit celebrating Indiana's social and economic ties with various countries around the globe. The exhibit is a cultural experience for people of all ages and will feature performing arts, authentic Japanese foods and interactive displays to help fairgoers learn more about the important relationship between Japan and our state.

For the sixth year, Cheri will be leading the Heartland Walk for Health and I hope you'll take time to join her on the two-lap walk around the Fairgrounds to help raise awareness about heart disease. In addition to the walk, a new "Farmers Market Café" has been added this year where fairgoers can eat healthy foods and get information about nutrition and physical activity.

There's never a shortage of things to see, do and taste at the Great Indiana State Fair. Thank you for being a part of one of Indiana's greatest traditions. Enjoy!

Sincerely,

Mitch Daniels

ENJOY THE FAIR...WASH YOUR HANDS ★ ★ ★

One of the best parts of the Indiana State Fair is getting close to all the different animals. The safest way to enjoy the animals is to make sure to wash your hands after each time you have contact with any of them. This is especially true for young children.

As you stroll around the fairgrounds, you will notice dozens of hand-sanitizing stations and restrooms. Please use these to keep your hands clean, especially if you are preparing to enjoy some of your favorite fair foods. In fact, you should make sure to clean with soap and hot water before you eat.

Be smart, stay healthy! Pet the animals, then WASH YOUR HANDS! It's the best way to enjoy your Great Indiana State Fair.

HELP US...HELP THE ENVIRONMENT!

Look for the designated "Green" bins to recycle your empty plastic beverage bottles and aluminum cans. Thanks for doing your part to "Green" the Great Indiana State Fair.

**NO ONE DOES
"GREEN"
BETTER THAN
THE BOY SCOUTS.**

This whole notion of "going green" isn't so new to us. In fact, taking care of our planet has been a pillar of the Boy Scout program for a hundred years now. We take a bunch of young, green boys, add wisdom and advice, mix in the great outdoors and presto! We think it makes for a rather nice environment indeed.
